Dear Vendor or Sponsor,

The 2019 Alabama Society of Radiologic Technologists Annual Meeting will be held Friday April 5 - Sunday April 7 at Lake Guntersville State Park on the banks of the Tennessee River in northeast Alabama. Our membership looks forward to another great meeting at this scenic destination. Dynamic speakers will present a wide variety of interesting topics, while the agenda will also provide opportunity for social events and networking. We hope to have about 150 participants, with about two-third of those student radiographers.

We hope you will consider attending our meeting as a vendor. What are we offering vendors who apply for display/exhibit space?

- Set up of display by 8:00 am Saturday, April 6 for display until 5:00 pm that day. We anticipate our largest attendance on this day.
- 6-foot skirted table with two chairs. Electricity available upon request at no extra charge.
- Recognition in the annual meeting program and on the ALSRT website. Your company logo will be posted on the ALSRT website for one year to recognize your support of ALSRT.
