

Alabama Society of Radiologic Technologists

ALSRT Student Delegate Guidelines

Introduction:

In 2011, the membership of ALSRT approved a Board of Directors' recommendation that a non-voting position on the Board of Directors for a Student Delegate be established. Based on membership approval of Bylaws revision, the appointment will be made annually.

Goal:

1. To enhance representation of students on the ALSRT Board of Directors.
2. To promote student participation in ALSRT and other professional societies.
3. To promote development of leadership skills for students seeking to serve in leadership positions beyond graduation.

Responsibilities:

1. Student Delegate is expected to attend each monthly Zoom Board of Directors meeting, if at all possible. Note that the Student Delegate is a non-voting appointment.
2. Serve as a representative of all students enrolled in radiologic sciences programs within the state.
3. Attend and actively participate in the ALSRT Annual Conference.
4. Promote student participation in the Society.
5. Work with Education Delegate to coordinate student activities for the ALSRT Annual Conference.
6. Serve alongside Board members as assigned to promote a successful ALSRT Annual Conference.
7. Offer feedback and suggestions for ongoing improvement of services to membership.
8. Responsible for personal expenses resulting from travel to the ALSRT Annual Conference.

Benefits:

1. Active involvement in shaping the future of the medical imaging profession.
2. Provide input and feedback regarding student issues.
3. Develop and enhance leadership skills.
4. Network with colleagues and current and future leaders in the profession.
5. Establish relationships that enhance professional opportunities.
6. ALSRT annual membership and conference registration fee will be waived.

Qualifications:

1. Must be a member in good standing of ALSRT prior to appointment by the Board.
2. Must be a rising student who has a minimum of 1 year remaining in their Radiologic Sciences program.
3. Student must be nominated by letter of recommendation by faculty of the Radiologic Sciences program in which they are enrolled. Radiologic Sciences GPA must be stated in letter of recommendation from faculty.
4. Student must have a minimum GPA of 3.0 in the Radiologic Sciences program in which they are enrolled.
5. Student must submit an application, including letter of recommendation from faculty.
6. Student must submit an essay that explains the role of professional organizations in the technologist's career and why they want to serve as Student Delegate on

the ALSRT Board. The essay must be typed on 8 ½" x 11" paper, have 1 inch margins, be double spaced, include pagination, and be no more than three (3) pages in length.

7. Program Director approval via signature.
8. Application must be emailed by **March 1st**

Term:

1. ALSRT Board of Directors will review completed applications, determine appointment, and will announce appointment at the ALSRT Annual Conference.
2. The Student Delegate will serve a term of one year.
3. A Student Delegate who leaves their radiography program for any reason during their appointment will no longer be eligible to serve. The Student Delegate position would then be unfilled until the next appointment is made by the ALSRT Board.
